BINATIONAL PROJECT TO SUPPORT THE ESSENTIAL OILS AND COSMETICS VALUE CHAIN

INDUSTRIAL MACHINERY AND EQUIPMENT SPECIFICATIONS

Caribbean Export Development Agency (Caribbean Export) was commissioned by the Governments of the Dominican Republic, Haiti and the European Union to implement the "Trade and Private Sector Component" of the Haiti-Dominican Republic Binational Cooperation Program, under the eleventh (11th) European Development Fund (EDF) FED/2018/399-379. The general objective of this Program is "Strengthen economic and trade cooperation between Haiti and the Dominican Republic in a sustainable manner, supporting initiatives that can reduce current imbalances in the long term and reduce poverty levels."

In this sense, this call for proposals is part of the activities agreed with the company Savons des Iles from Haiti, in the letter of agreement that was signed with Caribbean Export, to support the expansion of their market and increase their sales.
